JOHN SIMON

The Horn family history would be incomplete without some mention of John Simon. After all, he became the father figure for our ancestors Nicholas, John Conrad, Abraham and Barbara. In fact, one wedding announcement for Barbara gave her maiden name as Barbara Simon, not Barbara Horn.

His origins are not clear. There is a reference in "Palatines to America", vol.3 (K 155-11) to a John and Michael Simon. Another reference is to a John Adam Simon married to a Maria Elizabeth Diehl of Warwick.

We do know that he had two children from his first marriage (wife's name possibly Elizabeth Scott) Michael and Mersi, and two children from his marriage to Gertrude, John and Peter

John Simon was a hatter and lived in Easton as early as June 12, 1763. On that day his son was baptized at the schoolhouse by the minister of the German Reformed Church. In 1779 he became an elder of the church. In 1814 his son Michael, who was also a hatter, and Daniel Herster, were appointed administrators of the estate of John Simon, deceased.
